To All,

Very fluid situation, as expected. Attached are the latest org charts. Please expect fairly frequent updates, less so to the Command and General Staff (C&GS) chart than to the Ops chart.

Please note the numbering convention I am using on the subject line. This is what we hope to see on everything. Not holding my breath, but it certainly makes organizing information easier, faster as a result, less costly.

Mark,

If you have the opportunity to share with your Sr mgmt..., it would be good for them to chime in with an endorsement of how this supports our FOIA capability and potential Congressional inquiries/litigation.

Please call if there are any questions.

Thanks,

Derek
